She's All I Got

Jimmy Cozier

I wanna Tell yall about my old lady
sometimes I think she's really crazy
she blacks out at the drop of a dime
but she's still my baby
she likes to get into confrentations with me testing my patients to see how far she can go before I lose my head
Sometimes I love her Somtimes I love her not I aint letting her go cause she's all I got
although she nags me and complains alot I aint letting her go
no, no, noThe Next minute she could be sweet as ever grinnin' from ear to ear thats why were together what could make her change so fast" It's very confusing
Many times I felt like up and leaving oh girl but Im way to deep in love with her as crazy as she is I want her to have my kids
With her I have grown
With her home is home
I would never turn my back
on my baby I can't do that
