

God Gave You to Me

The Stanley Brothers

You tell me darlin' that it's over.
Why you're leavin', I can't see.
They told you lies and you believed them.
It's not right, 'cause God gave you to me.

Chorus:

I've walked the floor sweetheart and wondered,
If you found somebody new.
And will they always make you happy,
And love you little darlin' like I do.

Do you always take the love for granted,
Like so many others do?
And do you think you'll find me waiting,
When you're with somebody new?
