

Faster Than Boyz

Victoria Justice

Can i have a map? I'm getting lost in your eyes
That's the first thing you said,
And when i looked up, yeah it was no surprise
So much hair-gel was applied to your head I'm a V.I.P, that's what you told me,
But i only see a visitors pass
Here's a tip for free
Since you don't know me
And even though you didn't ask 'cause i'm movin' faster, faster, faster, faster than boyz
(boys)
You're basically a disaster, 'saster, you leave me no choice (no choice)
You leave me no,
No no, no no-- o-woah
Yeah you, you've got to go
Faster, faster, faster than boys (faster than boys) I don't have the time to be waiting around
For someone with a fake I.D
Seriously, you need to get out of town
This picture's just a little bit creepy I love Hall and Oates, you like Spaggetti O's
Something tells me we don't fit
Here's a tip for free
Since you don't know me
I think you're gonna catch on quick 'cause i'm movin' faster, faster, faster, faster than boys (boys)
You're basically a disaster, 'saster, you leave me no choice (no choice)
You leave me no,
No no, no no-- o-woah
Yeah you, you've got to go
Faster, faster, faster, faster than boys (faster than boys) It's not me, it's you.
Why you gotta look so sad?
I can't lie, it's true
Your pick up line was just that bad So get on with it, 'cause i'm just a waste of your time (time)
Penny for my thoughts, when i should have charged a dime 'cause i'm movin' faster, faster, faster, faster than
boys (boys)
You're basically a disaster, 'saster, you leave me no choice (no choice)
You leave me no,
No no, no no-- o-woah
Yeah you, you've got to go
Faster, faster, faster, faster than boys (faster than boys)
