

Whiskey River

[Willie Nelson](#)

Whiskey river, take my mind
Don't let her memory torture me
Whiskey river, don't run dry
You're all I've got, take care of me
Whiskey river, take my mind
Don't let her memory torture me
Whiskey river, don't run dry
You're all I've got, take care of me

Whiskey river, take my mind
Don't let her memory torture me
Whiskey river, don't run dry
You're all I've got, take care, one more time
Whiskey river, take my mind
And don't let her memory torture me
Whiskey river, don't run dry
You're all I've got, take care of me
