

Burn - TiËsto's Club Life Remix

Ellie Goulding

We, we don't have to worry bout nothing
'Cause we got the fire, and we're burning one hell of a something
They, they gonna see us from outer space, outer space
Light it up, like we're the stars of the human race, human race

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn
We gonna let it burn burn burn burn
Gonna let it burn burn burn burn
We gonna let it burn burn burn burn

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn (Burn)
(Burn)

We can light it up up up
So they can't put it out out out
We can light it up up up
So they can't put it out out out
We can light it up up up
So they can't put it out out out
We can light it up up up
So they can't put it out out out

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn burn burn burn
We gonna let it burn burn burn burn
Gonna let it burn burn burn burn

We gonna let it burn burn burn burn

And we gonna let it burn burn burn burn

We gonna let it burn burn burn burn

Gonna let it burn burn burn burn

We gonna let it burn burn burn burn

When the lights turned down, they don't know what they heard

Strike the match, play it loud, giving love to the world

We'll be raising our hands, shining up to the sky

'Cause we got the fire, fire, fire, yeah we got the fire fire fire

And we gonna let it burn (Burn)

(Burn)
