

Freeze (Live

Pepper

Run it Hands up in the air as we attack the sound clash,
So we emptied out the wallets, seein' all of your cash,
Now we've got this sound surrounded, so surrender your stash
And the sound of competition's done cause 'hasta your mash If you only use samples, well then you're not
original,
If you're not original, I won't be your criminal Freeze, jump back, put up your arms and,
Freeze, jump back, put up your arms and,
Freeze, jump back, put up your arms and,
Hold up and dance like a rivalry [Repeat: x2] Operator, butter finger, break it from the lens,
While across the cancer's our system either boxes from the lens,
You got your fat haze, fat laced, groupies lovin' you
While the girls use up our place later cause they love our sound move If you are all natural, I love it when it's
natural,
If you're not all natural, I love it not all natural, Freeze, jump back, put up your arms and,
Freeze, jump back, put up your arms and,
Freeze, jump back, put up your arms and,
Hold up and dance like a rivalry [Repeat: x2] Don't you run away [Repeat: x8]
