## Dungeon Family

Save the Atlanta sound, oh, we don't represent Atlanta  
We ain't puttin' the A-Town on the map, okay, here we come  
Gipp economy is strange in the meanin', lookin'  
street  
Even [Incomprehensible] for no team, I swing dissipated lines  
Stroke after them, apple martinis  
I'm the kosher, I'm the most alike the art  
Took my moves from Billy Whiteshoes  
Fight back like Geronimo, crack comma Ustafa  
Who said, "Like the sky, like a hot fire"  
Dorcey put a hit up on that man, control red  
Some watchin' liberation, abberation house down your throat  
Tapdance on ya kidneys, come around that ass like measles  
The first and the second shots ain't nothin' but teasers  
Set your body afire like Watson  
Travel through your team like hydrotoxins  
Premium dutch, blood shift you closer to the edge  
Project push, A T L, you get your water out the faucet  
We get our water out the well  
We win the war with Miami boys over these streets to eat  
Channel 5 got the story of the day  
Old church burnin', Emma got hung and the student caught  
With a gun, Wayne Williams interviews  
Remote controlled cars for teachers  
In Zone 1, Zone 2, Zone 3, Zone 4, Zone 5  
Whatcha gonna do, who ya gonna call?  
The effective gun show, now, nigga come on  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Capone got that Southside pimp creep, College Park out the door  
Die-hard, booze chillin', man, nigga wanna start  
Niggaz 'round the A-Town, salty 'cause they game plan  
Breakin' they neck try not run but Dungeon niggaz done been ran  
Y'all was out for grannin' and pussy pursuin'  
We slum deeper studio-type, breakin' great entrepreneurs  
Alert, it's an all out emergency homes  
Hit up, slick Ricky Wade on my cellular phone  
Man, my group done broke up just starters claimin' we rock  
It's my destiny to make it, I'm a fuckin' survivor  
This might be one again, oh, hailin' in the blaze that we brought  
[Incomprehensible] but my stomach was growlin'  
Dungeon Family  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk  
Awww yeah, we crunk, we crunk, we crunk
