Keys to the Kingdom

The Gun Club

Advisory - the following lyrics contain explicit language:

When Pilate was after Jesus
They could not get to him
They made a pact with Judas
So that they could turn him inI got the keys to your kingdom
And the world can't do me no harm so glad
I got the keys to the church house
And the world can't do me no wrong, oh yeahThey took him to that hill
They brought his sister in
They conspired against him
Make original sinI got the keys to the kingdom
And the world can't do me no wrong, oh yeah
I got the keys to the church house
And the world can't do me no harm so gladI was on his left, Devil on his right
He passed those keys to Pharisees
Way out of sightI got the keys to the kingdom
And the world can't do me no harm so glad
I got the keys to the church house
And the world can't do me no wrong, oh yeahAnd with those keys
I can open lots of doors
Devil on my left hand side
He ain't there no moreI got the keys those the kingdom
And the world can't do me no wrong so glad
I got the keys to the church house
And the world can't do me no harm oh yeah
[Incomprehensible] keys nowI got the keys to the kingdom
And I'm so glad
I got the keys to the kingdom
I'm so glad
