

Replicas (early version 3)

Gary Numan

It was hard to avoid
I suppose it was the shame
But they didn't even try
You see we'd never met
And they didn't have names
There was nothing I could doSo I turned on the crowd
And I screamed 'you and you'
'It could have been you'
And they seemed to think
That I looked that way
Or maybe I was wrongSo I said
Do you know Mr. wall
And they looked the other way
And then they smiled at meBut the police came
And I said it was me
And I just walked away
