## **Back Home Again**

## **John Fogerty**

There's a storm across the valley, clouds are rollin' in The afternoon is heavy on your shoulders

There's a truck out on the four lane, a mile or more away

The whinin' of his wheels just makes it colderHe's an hour away from ridin' on your prayers up in the sky

And ten days on your road are barely gone

There's a fire softly burnin', supper's on the stove

But it's the light in your eyes that makes him warmHey, it's good to be back home again

Sometimes this old farm feels like a long lost friend

Yes and hey, it's good to be back home againThere's all the news to tell him, how'd you spend your time?

What's the latest thing the neighbors say?

And your mother called last Friday, sunshine made her cry

You felt the baby move just yesterdayHey, it's good to be back home again

Sometimes this old farm feels like a long lost friend

Yes and hey, it's good to be back home againBut the time that I can lay this tired old body down

Feel your fingers feather soft upon me

The kisses that I live for, the love that lights my way

The happiness that livin' with you brings meIt's the sweetest thing I know of, just spending time with you

It's the little things that make a house a home

Like a fire softly burnin', supper on the stove

The light in your eyes that makes me warmHey, it's good to be back home again

Sometimes this old farm feels like a long lost friend

Yes and hey, it's good to be back home again Hey, it's good to be back home again, you know it is

Sometimes this old farm feels like a long lost friend

Hey, it's good to be back home again

I said hey, it's good to be back home again
