

Wicked Garden

Stone Temple Pilots

Can you see like a child?
Can you see what I want?
I wanna run through your wicked garden
Heard that's the place to find you
'Cuz I'm alive, so alive now
I know that darkness blinds you
Can you see without eyes?
Can you speak without lies?
I wanna drink from your naked fountain
I could drown your sorrows
I'm gonna burn, burn you alive now
Out of the chains that bind you
Can you see just like a child?
Can you see just what I want?
Can I bring you back to life?
Are you still alive?
Burn, burn, burn
(Burn, burn, burn, burn)
Burn your wicked garden down
Burn, burn, burn
(Burn, burn, burn, burn)
Burn your wicked garden to the ground, yea
Can you feel the pain inside?
Can you love? Can you cry?
I wanna run through your wicked garden
Heard that's the place to find you
'Cuz I'm alive, so alive now
I know that darkness blinds you
Can you see just like a child?
Can you see just what I want?
Can I bring you back to life?
Are you still alive?
Burn, burn, burn
(Burn, burn, burn, burn)
Burn your wicked garden down
Burn, burn, burn
(Burn, burn, burn, burn)
Burn your wicked garden to the ground, yea
