Changing Faces

Relax baby, I'm gonna make you feel real good
Tonight is your night, come here
Let's get this shirt off
Now tell me what you like
'Cause I make it everything you want
Now come closer, uh uh closer
Don't be scared, touch me, right there
Oh yeah, uhh, you go boyYou asked for me
So whatcha wanna see me for
I wanna show you something
Oh yeah and what's that
Turn the lights down half way
Huh, hey yo that's coolDo you mind if I stroke you up
(I don't mind)
Do you mind if I stroke you down
(I don't mind)
All through the night
(I don't mind)
Until your body's tired
(I don't mind)
Do you mind if I stroke you up

And turn the radio on

Just put your trust in me
And I won't let you down
So give me your love right nowGive it up
