

Hope This Makes You Love Me

Tank

Look at me I'm such a mess
And I normally would keep this all to myself
All my heart is filled with pain
And I normally wouldn't cry
But I'm a let it rain So I'm (praying now)
I give to the (homeless now)
I'm reading (books on how)
A better me can be found
I (filled my lung)
I'm broke from (what it costs)
I ain't got much left
But I want you to have it all And I hope this makes you love me
And I hope this makes you love me
I been doing everything for you
And I know it sounds crazy
But I hope this makes you
Love me love me love me
Love me love me love me Look at me I'm such a mess
My pride done told my ego
Give it a rest
All my heart is filled with pain
And I normally don't beg
But I'm a beg you again 'Cause I'm (praying now)
I give to the (homeless now)
I'm reading (books on how)
A better me can be found
I (filled my lung)
I'm broke from (what it costs)
I ain't got much left
But I want you to have it all And I hope this makes you love me
And I hope this makes you love me
I been doing everything for you
And I know it sounds crazy
But I hope this makes you
Love me love me love me
Love me love me love me And I hope this makes you love me
And I hope this makes you love me
I been doing everything for you
And I know it sounds crazy

But I hope this makes you
Love me love me love me
Love me love me love me And I hope this makes you love me
And I hope this makes you love me
I been doing everything for you
And I know it sounds crazy
But I hope this makes you
Love me love me love me
Love me love me love me I'll get on one knee just to beg you
Emergency I'll be there to rescue
I'll go through the fire to save you
Girl, I thank the Lord that He made you
Climb the highest mountain to be there
Follow you wherever you go
Life without you, how could that be fair?
I'd do all of this to let you know I hope that this
Makes you love me yeah
I hope this makes you love me
I hope this makes you love me yeah
Hope this makes you love me yeah
Said it makes you
Love
Me
Love me yeah
