Look At That

Paul Simon

Look at that
Look at this
Drop a stone in the abyss
Then walk away and know that anything can happen
Just like that
Just like this
Look at that
Look at this
Gimme a hug, gimme a kiss
Hey, hey and off to school we go
You might learn something
Yeah, you never know
Love you so
Look at that
Look at this
Lovers merge and make a wish
They close their eyes and now their dreams are legal
And on the horizon the eagle flies through clouds of fire
Swoop and glide
You can't believe it, you can't decide
Ask somebody to love you
Takes a lot of nerve
Ask somebody to love you
You got a lot of nerve
Ask somebody to love you
Takes a lot of nerve
Ask somebody to love you
Ma ma ma ma
Ma ma ma ma
Da da da da
Da da da da
La la la la
La la la la
Oom bop a doom
Look at that
Look at this
This is near enough to bliss
Then over the top we go and down
Down to the bottom

If you're looking for worries you got 'em
Ask somebody to love you
Takes a lot of nerve
Ask somebody to love you
You got a lot of nerve
Tih tih tih tih
Tih tih tih tih
Gur gur gur gur
Gur gur gur gur
Lih lih lih lih
Lih lih lih lih
Oom sop a doom
Come awake, come alive
Common sense we survive
Then hey, hey, down the road we go
You might learn something
Yeah you never know
But anyway you've, you've gotta go
