Headstrong (Radio Edit)

Trapt

Circling your head contemplating everything you ever said
Now I see the truth I got a doubt
A different motive in your eyes and now I'm out
See you later
I see your fantasies
You wanna make it a reality baby paved in gold
See inside, inside of our heads yeah
Well now that's overI see your motives inside
Decisions to hideBack off I'll take you on
Headstrong to take on anyone
I know that you are wrong
Headstrong we're Headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
This is not where you belongI can't give everything away
I won't give everything awayConclusions manifest your first impressions got to be your very best
I see you're full of shit is not so right
That's how you play I guess you get through every night
Now that's over
I see your fantasies
You wanna make it a reality
Paved in gold
See inside, inside of our heads
Well now that's overI see your motives inside
And your decisions to hideBack off I'll take you on
Headstrong to take on any one
I know that you are wrong
Headstrong, we're headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
And this is not where you belong
Where you belongI can't give everything away
This is not where you belong
I won't give everything awayI know I know all about
I know I know all about
I know I know all about
I know I know all about

Your motives inside
And your decision to hideBack off I'll take you on
Headstrong to take on anyone
I know that you are wrong
Headstrong,we're headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
And this is not where you belong
Where you belong
This is not where you belongI can't give everything away
This is not where you belong
I won't give everything away
Where you belong
This is not where you belong
