

# Flowers after the Fact

**Terri Clark**

Ten days too late you show up  
With a sheepish grin and a bouquet in your hand  
You make mistakes by the dozen  
Don't think you can make it up the same way again[Chorus]  
Flowers after the fact  
Ain't gonna get me back  
You gotta do something sooner and better than that  
When you bring me red roses  
There's an ulterior motive  
Don't give me flowers after the fact No part of your heart's ever in it  
You're just trying to get your foot back in the door  
I might feel like you meant it  
If those long stems had come in the name of love before[Chorus]
