Savages

Savoir Adore

I want you
I want you so badly
I'll need you
I need your air to breatheIs it savage
This edible cry
A primitive beast
This feeling inside, this feeling insideLate at night we are broken
In the darkness of the words unspoken
There's a scream inside somewhere
I can't get enough,
Give me more of, your love, your love
I can't get enough
Does it scare you
Does it feel unkind
I'm not crazy
I'm just out of my mindLate at night we are broken
In the darkness of the words unspoken
There's a scream inside somewhere
I can't get enough
Give me more of, your love, your love, love - IAre you a savage
Are you the devil disguised
A primitive beast
I feel you inside
Late at night we are broken
In the darkness of the words unspoken
There's a scream inside somewhere
I can't get enough
Give me more of
I can't get enough
Give me more of, your love.
