

# Girls On Film (Extended Night Version)

## Duran Duran

See them walking hand in hand  
Across the bridge at midnight  
Heads turning as the lights flashing out  
Are so bright  
And walk right out to the four line track  
There's a camera rolling on her back  
On her back  
And I sense a rhythm humming in a frenzy  
All the way down her spine  
Girls on film  
Girls on film  
Girls on film  
Lipstick cherry all over the lens as she's falling  
And miles of sharp blue water coming in  
Where she lies  
The diving man's coming up for air  
'Cause the crowd all love pulling dolly by the hair  
By the hair  
And she wonders how she ever got here  
As she goes under again  
Girls on film (two minutes later)  
Girls on film  
Girls on film (got your picture)  
Girls on film  
Wider, baby, smile and you've just made a million  
Fuses pumping live heat twisting out on a wire  
Take one last glimpse into the night  
I'm touching close  
I'm holding bright  
Holding tight  
Give me shudders in a whisper  
Take me up 'til I'm shooting a star  
Girls on film (she's more than a lady)  
Girls on film  
Girls on film (two minutes later)  
Girls on film  
Girls on film (see you together)  
Girls on film  
Girls on film (see you later)  
Girls on film
