

# Up Out My Face (feat. Nicki Minaj)

## Mariah Carey

It's not chipped  
We're not cracked  
Oh, we're shattered  
Eh, eh, eh  
Oh na, na, na, na I thought we had something special  
We had something good  
But I should have had another mechanic under my hood  
If you see me walking by you  
Boy don't you even speak  
Pretend you on the sofa  
And I'm on the TV  
Might see me on a poster  
See me at a show  
But you won't see me for free  
Boy this ain't no promo No shame now  
Wherever you be laying  
You can stay now  
Got to board the BBJ  
And put the shades down  
I'm on the plane now  
And don't keep calling from your mama's house When I break I break boy  
Up out my face boy  
Up out my face boy  
Up out my face, I break  
Up out my face boy  
Up out my face boy  
Up out my face, I break You ain't never gonna feel this thing again  
You gon' get a lot of calls 'cause I CC-ed all your friends (I break)  
I ain't walking around all mokey and sad  
Take a look at my bags baby (I break, when I break I break) So look who's crying now  
Boohoo hoo  
Talking about your missing your boo  
And no you and getting it  
I know you ain't hittin' it  
No you ain't a rapper so you need to stop spitting it Ah ha ah ah ah ah  
You wondering who I'm messing while you ain't next to me  
I'm going bye bye bye  
So pay the consequences because you acted all ignorant So you ashamed now  
Wherever you be laying you can stay now

Gotta board the BBJ and pull the shades down  
On the plane now  
And don't keep calling from your mama's house When I break I break boy  
Up out my face boy  
Up out my face boy  
Up out my face, I break  
Up out my face boy  
Up out my face boy  
Up out my face, I break You ain't never gonna feel this thing again  
You gon' get a lot of calls 'cause I CC-ed all your friends (I break)  
I ain't walking around all mopey and sad  
Take a look at my bags baby (When I break I break I break) And no super glue can fix this shit  
When I break I break I break  
Not even a welder and a builder could rebuild this shit  
When I break I break I break  
Not even a nail technician with a whole lot of gel and acrylic  
Can fix this when I break, I break  
If we were two Lego blocks  
Even the Harvard University graduating class of 2010  
Couldn't put us back together again When I break boy  
Up out my face boy  
Up out my face boy  
Up out my face, I break  
Up out my face boy  
Up out my face boy  
Up out my face, I break You ain't never gonna feel this thing again  
You gon' get a lot of calls 'cause I CC-ed all your friends (C'mon)  
I ain't walking around all mopey and sad  
Take a look at my bags baby ('Cause when break baby baby I break) When I break I break boy  
Up out my face boy  
Up out my face boy  
Up out my face, I break  
Up out my face boy  
Up out my face boy  
Up out my face, I break
