Elevator

Backstage Cast

Oh love you can't control it just blow on the dice and roll it you got it better than anybody ever and there ain't no way to stop it baby you got a dollar maybe you got nothing maybe but you know she's going straight to the top I need a love to take me higher rising above all of the hatters hating no sense waiting elevator straight to the top line I've been walking these halls for too long looking for my elevator
