

# By and Down (LIVE)

## A Perfect Circle

Moving in and out of the shadows  
It's no easier mission  
Holding onto how I picture you  
Showing only bits and pieces  
'Till the tide betrays you and your empty allocation  
Searching your eyes for a hint or a trace of humility  
Searching your eyes for the saint is an act of futility  
Searching your eyes for a hint or a trace of it  
Searching your eyes for humility  
Searching your eyes for a hint or a trace  
I'm still searching searching  
Showing all the missing pieces  
'Till the light betrays you and your empty allocation  
Saw the Piper by and down the river  
Caught his crippled alchemy  
From pounding waves of adoration  
Pied Piper float on down the river  
Bloated carcass crippled me  
The weight of adoration  
Moving in and out of the shadows  
It's no easy mission  
Holding on to how I picture you
