

# I Love You

## Avril Lavigne

La La  
La la la la  
la la  
la la la...I like your smile  
I like your vibe  
I like your style  
But that's not why I love you And I, I like the way  
You're such a star  
But that's not why I love you Hey, do you feel, do you feel me?  
Do you feel what I feel too?  
Do you need, do you need me?  
Do you need me? You're so beautiful  
But that's not why I love you  
I'm not sure you know  
That the reason I love you Is you being you, just you  
Yeah, the reason I love you  
Is all that we've been through  
And that's why I love you I like the way you misbehave  
When we get wasted  
But that's not why I love you And how you keep your cool  
When I am complicated  
But that's not why I love you Hey, do you feel, do you feel me?  
Do you feel what I feel too?  
Do you need, do you need me?  
Do you need me? You're so beautiful  
But that's not why I love you  
And I'm not sure you know  
That the reason I love you Is you being you, just you  
Yeah, the reason I love you  
Is all that we've been through  
And that's why I love you Even though we didn't make it through  
I am always here for you, you You're so beautiful  
But that's not why I love you  
I'm not sure you know  
That the reason I love you Is you being you, just you  
Yeah, the reason I love you  
Is all that we've been through  
And that's why I love you That's why I love you  
That's why I love you

That's why I love you
