

# For Once In My Life

**Frank Sinatra**

For once in my life I got someone who needs me  
Someone I've needed for so long  
For once unafraid I can go where life leads me  
Somehow I know I'm gonna be strong For once I can touch  
What my heart used to dream of long before I knew  
Someone warm like you  
Could make my dreams, make them all come true For once in my life I won't let sorrow hurt me  
Not like it hurt me once before  
For once I got someone I know won't desert me  
I'm not alone anymore For once I can say, "This is mine you can't take it"  
Long as there's love I know that I'm gonna make it  
For once in my life I got someone who needs me For once I can say, "This is mine you won't take it"  
Long as there's love babe you bet I'm gonna make it  
For once in my life I got someone, yes  
For once in my life I found someone  
Once in my life I got someone who needs me, she needs me
