

Terrorist Youth

Weapons

I went to the doctor he said I was ill
Prescribed me morphine and an amphetamine pill
When I left the hospital I was feeling the chill
I never thought the day would come when I would have to kill I've been sick of all the war that we've been
making
Babies flung inside the bombs that we are baking
When I was a kid I thought the world was mine for taking
I've grown up to become a danger to their raping
I'm a terrorist youth
All I wanted was the truth
I'm a, I'm a
I'm a terrorist youth
I want the whole and nothing but the truth so help me God! Usually opposites attract
Sometimes they react and attack
Our forces they walked into Iraq
(Ever since then democracy has never looked back)
I never wanted to become a vigilante
I love to meditate and all that om om shanti
But it is time to take a stand and be Anti I'm a terrorist youth
All I wanted was the truth
I'm a, I'm a
I'm a terrorist youth
I want the whole and nothing but the truth so help me God!
