

# Thunder in the Mountains (Acoustic Version)

Toyah

THUNDER IN THE MOUNTAINS

=====

Where the mountains meet the sea  
And lights spit stains on the scenery  
And the air is heavy with a sticky unease  
I wish for my world of make believe  
And the rebel in my soul says go  
And the rebel in my soul says go  
Can you hear it breaking through?  
Can you hear it breaking through?  
Thunder and lightning  
Thundering thundering in the mountains  
There's a motorway it's a monument  
To distant cities with distant cries  
A problem an explosion  
Just a spark sets the anger in motion  
And the rebel in my soul says go  
And the rebel in my soul says go  
Can you hear it breaking through?  
Can you hear it breaking through?  
Thunder and lightning  
Thundering thundering in the mountains  
Can you hear it in the mountains  
Can you hear it breaking through?  
Can you hear it breaking through?  
Thunder and lightning  
Thundering thundering in the mountains  
Can you hear it breaking through?  
Can you hear it breaking through?  
Thunder and lightning  
Thundering thundering in the mountains  
And its breaking through  
Breaking through  
Breaking through
