

Floods (Colin Murray Radio 1 Session) (Acoustic)

Fightstar

You can't all pretend
That you don't know enough
Enough to make sense
All this will be gone
And you can sink beneath
The rapture we've spawned
What have we become
You know we don't have all the entire world
To make the floods seem still
You know we don't have all the entire world
To make the most of this
Blood will bleed the blind
When the only thing diseased their lives
Let not the sun their lives
On the wrath of this inconvenient truth
What have we become
You know we don't have all the entire world
To make the floods seem still
You know we don't have all the entire world
To make the most of this
Just smile like the idiots you are
You know we don't have all the entire world
To make the floods seem still
You know we don't have all the entire world
To make the most of this
