

Step By Step

Jesse Winchester

Step by step
All the happy Saints go marching in
And if one of those Saints step out of line
 He'll have to start again
 Cause Jacob's golden ladder
 Get's slippery at the top
 And many a happy-go-lucky saint
Has made that long long dropIf I'm late don't wait
 Go on without me
 I may tarry awhile
 Cause I need to know
 Before I go
How come the Devil smilesIf I'm late don't wait
 Go on without me
 I may tarry awhile
 Cause I need to know
 Before I go
How come the Devil smilesFree from care
 Free from sin
 The Saints are trooping in
The children play all around the throne
 Innocent of sin
 A trillion voices sing the name
 The mortals may not know
 And Heaven's walls are too high to hear
 The trouble down below
