Start the Riot

Atari Teenage Riot

I would die for peanut butterGo, are you ready?
Start the riot, start the riot, start the riot, start the riot nowFight, war, fire, violence, death, police, TV, fuck you
Start the riot, start the riot, start the riot, start the riot now
Start the riot, start the riot, start the riot, start the riot now
Start the riot, start the riot, start the riot, start the riot nowIs this a private joke or are you going to let me in on it?1, 2, 3, 4I'm trying to [unverified]
I'm going to be a human
And you think that's a big deal, huh?
MmmTell me something
What's so appealing about being a human anyway?
Well, just because
SoFight, war, fire, violence, death, police, TV
Start the riot, start the riot, start the riot, start the riot now
Start the riot, start the riot, start the riot, start the riot now
Start the riot, start the riot, start the riot, start the riot nowIt won't be long before I'm a human being like youCome back here you thief
You can't get away with it
Give me that, let go
Yakamo, he's got the statue
Come back here you crookYakamo
Oh great
Ahh
