I got some shooters in Memphis my trullas
They totin' rugers extenders on oozies
Them my shooters[Verse 1]
Them my motherfucking shooters
Bitch I have my shooters do a hit off a scooter
Breaking bullets like motherfucking rulers
Chop a badass like motherfucking boosie
I got a AK same Height Kay Kay
I let it spray spray like doo-doo-doo-bang-bang
Get out my way way, shooters could hang me
Pull up on you let my shooters go cray cray
I'm bout my dough, off my dope and I keep my pole
Better know when I see a opp I heat down throat
Got some shooters in VA
Got some shooters and thy Glo
But I know for me they gon be shooting up like storm
Keep my tool with me like just like my wand
It's gon do for me just like my women
All this ice on me bitch look at my wand
