

# Spin Spin Sugar

## Sneaker Pimps

I'm everyone, I feel used  
I'm everyone, I need you  
I'm everyone hang your label on me  
I'm everyone paint it black and white and easy I want perfection, I'm real need  
I've seen attention see through me  
I'm everyone sticks in me  
I'm everyone sticks with me Call on me, spin spin sugar  
Crawl on me, spin spin sugar  
Stinks on me, spin spin sugar  
Twists for me, spin spin sugar I've seen attention, see through me  
I want perfection I'm real need  
I'm everyone sticks in me  
I'm everyone sticks with me Call on me, spin spin sugar  
Crawl on me, spin spin sugar  
Stinks on me, spin spin sugar  
Twists for me, spin spin sugar
