

# Godzilla

## Blue Åyster Cult

With a purposeful grimace and a terrible sound  
He pulls the spitting high tension wires down

Helpless people on a subway train  
Scream bug-eyed as he looks in on them

He picks up a bus and he throws it back down  
As he wades through the buildings toward the center of town

Oh no, they say he's got to go go go Godzilla  
Oh no, there goes Tokyo go go Godzilla

History shows again and again  
How nature points up the folly of men
