Piece an chain on listenWell, an nigga wit' the Rolex on you best believe

He packin' Stretch Armstrong, some kinda gat or thang on him

Hit you bullet rain storms when you got the Rolex watch

Piece an chain on listenTo all my real playas, throw yo' Rollie's in the sky

Wave 'em side to side then keep yo' four-five caulked to ride

So many mutha fuckas done died tryin' to steal a Rolex watch
Especially tryin' to steal mines I remember the day, I bought my first watch the turfs hot
Slangin' them birdies, that chirpin' juss don't stop
Raise niggas off the block who turf hop juss got my first 5
In the world to check in the jewelry store the first spot I'm wet cash the check, grab the tech an jet
10 G's in my pocket headed straight to Spence
I want my shit all baggets but it cost too much
Had to fuck wit somethin' less, ain't tryin' to floss too much A straight gold Presidential, no diamonds down the
wrist
Princess cabezel, you know that's small timer shit but fuck that
I got the Rolex, chain an ring that match, stack my scratch
Until I got enough green to bring shit back exchange? Yes Give up the chain an gain a Rolex drop some G's
It's juss like property so invest
An if you ever go broke, don't feel depressed under stress
Pawn yo' shit, I give you what you paid an not a dolla less That's big timer shit white colla shit, so I jet
I see some niggas casin' the set hangin' out by my Lex
I grab the mutha fuckin' Tech 9
The first time, I get to hear that mutha fucka scream an whine
Rolex Rulez Well, an nigga wit' the Rolex on you best believe
He packin' Stretch Armstrong, some kinda gat or thang on him
Hit you bullet rain storms when you got the Rolex watch
Piece an chain on listen Well, an nigga wit' the Rolex on you best believe
He packin' Stretch Armstrong, some kinda gat or thang on him
Hit you bullet rain storms when you got the Rolex watch
Piece an chain on listen Uh, to all my real playas, nigga, uh
Smoke a lot up in this bitch, regime shit, uh
Sometimes you gotta floss
Sometimes keep that shit up under yo sleve 'Cuz niggas tryin' to get us
But I keep big heats, nigga
How many holes you want in yo ass?
Blow blow 1, 2, or 3? Nigga what? Blow blow
