Weak

Fourtunate

I used to cry, sitting in my room
Left with empty rumours, I don't want to be here tonight.
I'm lost with no direction, Love without affection.
I had no intention to fight.

Hear me I'm calling (X3)
Oh Whoa whoa oh (X3)
Ohh..

Please can you help me, I'm weak
Why can't you call for me.
I need you now, Lost all my soul
So don't let me go.

I think I'm running in too deep,
Your shadow is conquering me.
Please can you help me, I'm weak.
I'm weak.

You left me hard, we reach a peak and laugh.
The sound it didn't suave.
Before we even cross the other side.

I know that it ain't easy, as long as your ready.
I'll be here for life.

Baby I'm calling (x3)
Oh Whoa whoa oh (X3)
Ohh..
Please can you help me, I'm weak
Why can't you call for me.
I need you now, Lost all my soul
So don't let me go.

I think I'm running in too deep.
Your shadow is conquering me.
Please can you help me, I'm weak
I'm weak.

Cast all your feelings, don't hesitate to re assure me,

That you'll understand.
It's not the part when I tell you how I'm feeling and you wonder why.
It's a struggle, the depths of heart are layed in your hands.
Are layed in your hands.

Can you help me
Please can you help me I'm weak
Why can't you call for me
I need you now lost all my soul
So don't let me go

I think I'm running in too deep
your shadow is conquering me

Please can you help me I'm weak,
I'm weak.
