

# Busted Heart

## For King & Country

Follow me  
To the shipwreck shores  
Of a dark and strange country  
I was born  
A stranger thinking out loud

In a foreign tongue  
I was out of place  
I was looking all around  
Just a trying to find a friendly face

But they're all gone  
And did you ever think  
Did you ever think, think,  
Lotta people everyday who will surely drown?  
And did you ever think  
Did you ever think, think,  
Who left me all alone in this town?

And a busted heart  
Is a welcome friend  
And when that heart leaves  
What will you do then?

And if I cry  
Is that a sin?  
And wisdom is a whisper  
And I'm trying to understand

What I say, what I think,  
Where I sleep, when I breathe  
What I do with my hands
