Lorelei

Spain

I don't want to fight your war tonight
Put away all your guns and knivesI am waiting
LoreleiI don't want to see the streets tonight
I am so weary and so tiredI am waiting
LoreleiViolence holds
The scene below
People act out their paces
Go through their places
Burn all the tracesWe alone
Carry forthWe are two so despite what you do
Despite what you see
Don't give up
We're gonna be free
Lorelei
Lorelei
