## Spain

I don't want to fight your war tonight  
Put away all your guns and knivesI am waiting  
LoreleiI don't want to see the streets tonight  
I am so weary and so tiredI am waiting  
LoreleiViolence holds  
The scene below  
People act out their paces  
Go through their places  
Burn all the tracesWe alone  
Carry forthWe are two so despite what you do  
Despite what you see  
Don't give up  
We're gonna be free  
Lorelei  
Lorelei  
Lorelei
