Young Slay

Mic check ugh uh
Flow check (click tongues)
Swag check
Look like I'm ready to go in,
Everything, everything good nah I'm saying. Verse 1
Live on the microphone, in boca raton
With Rekstarr I'm perforating your eardrums
Based and snare blasting through my headphones
Bopping my head, gradually feeling numb
Mezanmi kite beat la mache nan sanm
I'm feeling so good, haters pa ka rans'ak vibe anm
Banm pran san fwa'm pou m'vide sak nan calpin m'
'Cause I'm feeling hotter than a Bunsen burner yo

You can't stand the heat, get out the kitchen
