It's Me

K-ci & Jojo

Hold up, love
I know I'm not the one that you've been speakin' of
Rumors start
But all the time I was the one who gave you so much love
You came along
I was already in they ear before I picked you up
You broke my trust
'Cause I thought you loved me, you just cashed in
Now I'm through with you
You
You don't know what to do
To do
Now who's playin' who?
You loved me, now it's ugly
'Cause I'm not checkin' for you
No, no, no
Your hatin' end is through
It's so cool
Without me there's no you
Now you're through 'cause I'm done with you
It's your world made easy
Now it's you tryin' to front and run game on me
It's not like you can hang and sexy
'Cause you wouldn't be known if you didn't know me
Hear me, mami, take it easy
If you hate Jojo, you're hatin' K-Ci
Speak up when they ask you, shorty
"Who's the one that made you?", then say that it's me
Now you think
Every thing that I done for you came so easy, uh
And now you seem
To be actin' like it really was you that made me
But you don't see
When you step out on the scene that they really see me
And no one seemed
To even really notice you 'cause you're not with me
Now I'm through with you
Through with you
You don't know what to do

What to do
Now who's playin' who?
You loved me, now it's ugly
'Cause I'm not checkin' for you
No, no, no
Your hatin' day is through
Said it?s all cool
Without me there's no you
Now you're through 'cause I'm done with you
It's your world made easy
Now it's you tryin' to front and run game on me
It's not like you can hang and sexy
'Cause you wouldn't be known if you didn't know me
Hear me, mami, take it easy
If you hate Jojo, you're hatin' K-Ci
Speak up when they ask you, shorty
"Who's the one that made you?", then say that it's me
Baby, girl, it ain't cool you
Tryin' to thank me
Baby, I can't believe that I'm hearin 'bout you
Just tryin' to thank me
Baby girl, you're crazy
Baby, girl, it ain't cool you
Tryin' to thank me
Baby, I can't believe that I'm hearin 'bout you
Just tryin' to thank me
Baby girl, you're crazy
It's your world made easy
Now it's you tryin' to front and run game on me
It's not like you can hang and sexy
'Cause you wouldn't be known if you didn't know me
Hear me, mami, take it easy
If you hate Jojo, you're hatin' K-Ci
Speak up when they ask you, shorty
"Who's the one that made you?", then say that it's me
It's your world made easy
Now it's you tryin' to front and run game on me
It's not like you can hate it, sexy
'Cause you wouldn't be known if you didn't know me
Hear me, mami, take it easy
If you hate Jojo, you're hatin' K-Ci
Speak up when they ask you, shorty
"Who's the one that made you?", then say that it's me
