

# It's Me

## K-ci & Jojo

Hold up, love  
I know I'm not the one that you've been speakin' of  
Rumors start  
But all the time I was the one who gave you so much love  
You came along  
I was already in they ear before I picked you up  
You broke my trust  
'Cause I thought you loved me, you just cashed in  
Now I'm through with you  
You  
You don't know what to do  
To do  
Now who's playin' who?  
You loved me, now it's ugly  
'Cause I'm not checkin' for you  
No, no, no  
Your hatin' end is through  
It's so cool  
Without me there's no you  
Now you're through 'cause I'm done with you  
It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hang and sexy  
'Cause you wouldn't be known if you didn't know me  
Hear me, mami, take it easy  
If you hate Jojo, you're hatin' K-Ci  
Speak up when they ask you, shorty  
"Who's the one that made you?", then say that it's me  
Now you think  
Every thing that I done for you came so easy, uh  
And now you seem  
To be actin' like it really was you that made me  
But you don't see  
When you step out on the scene that they really see me  
And no one seemed  
To even really notice you 'cause you're not with me  
Now I'm through with you  
Through with you  
You don't know what to do

What to do  
Now who's playin' who?  
You loved me, now it's ugly  
'Cause I'm not checkin' for you  
No, no, no  
Your hatin' day is through  
Said it's all cool  
Without me there's no you  
Now you're through 'cause I'm done with you  
It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hang and sexy  
'Cause you wouldn't be known if you didn't know me  
Hear me, mami, take it easy  
If you hate Jojo, you're hatin' K-Ci  
Speak up when they ask you, shorty  
"Who's the one that made you?", then say that it's me  
Baby, girl, it ain't cool you  
Tryin' to thank me  
Baby, I can't believe that I'm hearin' 'bout you  
Just tryin' to thank me  
Baby girl, you're crazy  
Baby, girl, it ain't cool you  
Tryin' to thank me  
Baby, I can't believe that I'm hearin' 'bout you  
Just tryin' to thank me  
Baby girl, you're crazy  
It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hang and sexy  
'Cause you wouldn't be known if you didn't know me  
Hear me, mami, take it easy  
If you hate Jojo, you're hatin' K-Ci  
Speak up when they ask you, shorty  
"Who's the one that made you?", then say that it's me  
It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hate it, sexy  
'Cause you wouldn't be known if you didn't know me  
Hear me, mami, take it easy  
If you hate Jojo, you're hatin' K-Ci  
Speak up when they ask you, shorty  
"Who's the one that made you?", then say that it's me
