

# Child of Mine

## Fleetwood Mac

Little child of mine  
You'll be lovin' like your little Mother did  
    Heard it somewhere before  
I won't leave you no not like my Father didHeavy country blues keep a rockin'  
    K-k-k-keep that soulbeat a-sockin'  
    Heavy country blues keep a rockin'  
    K-k-k-keep that soulbeat a-sockin'  
    I miss you again  
    I let the sunlight through my eyes  
    I won't cry  
    I miss you again  
    I let the sunlight through my eyes  
    I won't cry  
    Little child of mine  
    You'll be lovin' like your little Mother did  
    Heard it somewhere before,  
I won't leave you, no not like my Father did  
    Heavy country blues keep a rockin'  
    K-k-k-keep that soulbeat a-sockin'  
    Heavy country blues keep a rockin'  
    K-k-k-keep that soulbeat a-sockin'I miss you again  
    I let the sunlight through my eyes  
    I won't cry  
    I miss you again  
    I let the sunlight through my eyes  
    I won't cryI miss you again  
    I let the sunlight through my eyes  
    I won't cryI miss you again  
    I let the sunlight through my eyes  
    I won't cry.
