

That's the Way of the World

Earth, Wind & Fire

Hearts of fire creates love desire
Take you high and higher to the world you belong
Hearts of fire creates love desire
High and higher to your place on the throne We come together on this special day
Sing our message loud and clear
Looking back, we've touched on sorrowful days,
Future pass, they disappear
You will find peace of mind
If you look way down in your heart and soul
Don't hesitate 'cause the world seems cold
Stay young at heart, 'cause you're never, never old That's the way of the world,
Plant your flower and you grow a pearl
Child is born with a heart of gold
Way of the world makes his heart so cold Hearts of fire create love desire take you
High and higher to the world you belong
Hearts of fire love desire
High and higher, yeah yeah yeah
Hearts of fire love desire
Ahh higher We come together on this special day
Sung our message loud and clear
Looking back, we've touched on sorrowful days,
Future disappears
You will find peace of mind
If you look way down in your heart and soul
Don't hesitate 'cause the world seems cold
Stay young at heart, 'cause you're never, never, never That's the way of the world,
Plant your flower and you grow a pearl
Child is born with a heart of gold
Way of the world makes his heart so cold Hearts of fire, love desire
High and higher, yeah yeah
Hearts of fire, love desire
