

# Too Experienced

## The Bodysnatchers

[verse one (ms dynamite):]He doesn't want me around,

He's got something to hide.

I think he wants a clown,

Someone to take for a ride.

What I keep tellin' him..

[chorus:]I'm too experiences to be taken for a stroll,

Too experienced for someone to rock 'n' roll.

I'm too experienced to be taken for a ride,

And I know it's not my foolish pride.

[verse two (ms. dynamite):]He hates the sight of me,

Because I turned his offer down.

He's always sayin' we were meant to be,

Somehow he thought I'd be his clown.

But this is what I say.

[verse three (barrington levy):]She doesn't want you around,

Because you have too much to hide.

I think you are a clown,

Not fit to be a bonafide.

But I'm tellin' you,

She's too experienced to be taken for a stroll,

Too experienced for someone to rock 'n' roll.

Too experienced to be taken for a ride,

That's why her name is dynamite.
