

Stars

T.a.t.u.

How did we ever go this far?
You touch my hand and start the car
And for the first time in my life
I'm crying
Are we in space? Do we belong?
Someplace where no one calls it wrong
And like the stars we burn away
The miles
Ya zvezda, ty zvezda
Nas prikazano szhech'
Kto-to sdal I dostal
Adresa nashikh vstrech
Potolki po glazam
I nikto ne naidyet
Soskol'znut golosa
I slomayetsya lyod
I nich'ya bez klyucha
I mogila postel'
I pora vyklyuchat'
I oni na khvoste
Ulybnis', razvyazhi
Zanaves' zerkala
Razorvi, I skazhi
Umerla, umerla
Zamykai I lizhi
Stanovis' nikakoi
I ruka ne drozhit
Vse v poryadke s rukoi
Mozhno mstit, 'dvazhdy dva
Na taksi I sosi,
A prostit' nikogda
Nikogda ne prosi
Khorosho, khorosho
Ya pridumala mest'
Poroshok vse chto est'
Umnozhayu na shest'
Ne zvoni, ne zvoni
Ya ustala, ya ustala
Ya tebya ne khochu

Ty menya zaye, la
How did we ever get this far?
It shouldn't have to be this hard
Now for the first time in my life
I'm flying
Are we in love? Do we deserve
To bear the shame of this whole world?
And like the night we camouflage

Denial
Nikogda nichego
Nichego ne nachat'
Nikogda nikogo
Umirat' I molchat'
Ne iskat', ne lyubit',
Ne zhalet' I ne spat'
Nikogda nikuda

Nikogo ne puskat'
Ne vdvoem, I ub'em
Im prisnit'sya voda
Ne tvoe, ne moe
Provoda, provoda
Geroi, pul'sa net
Tol'ko ti ne pri chem
Abonent otklyuchen
How did we ever go this far?
You touch my hand and start the car
And for the first time in my life
I'm crying
Are we in love? Do we deserve
To bear the shame of this whole world?
And like the night we camouflage

Denial
