

# One Fine Day (Un Bel Di)

Katherine Jenkins, Anthony Ingliss & The Prague Sy

If I had a perfect day  
I would have it start this way  
Open up the fridge and have a tall boy yeah  
Then I'd meet up with my friends  
Head out to the game again  
We don't even really even care who wins  
(Hey) Wins (Hey) one, two, three  
Now the time just seems to fly when we're hanging with the boys  
When we're cheering and when no one keeps the score  
Now the game is cool to see, you can high five up to me  
Count them running over one, two, three  
Operation is inside and the field is open wide  
When you break everything you know you're still alive  
And The cops will you make you pay if you think you'll get away  
Then you know that it's One Fine Day (Hey)  
And before the day was through  
We could torch a car or two  
Then have ourselves another tallboy yeah  
Water hoses in the lot  
That's the real game that's on  
I don't really give a shit who wins, (HEY!) Wins (HEY!) one, two, three  
Now the time just seems to fly when we're hanging with the boys  
When we're cheering and when no one keeps the score  
Now the game is cool to see, you can high five up to me  
Count them running over one, two, three  
The Offspring - One Fine Day  
Operation is inside and the field is open wide  
When you break everything you know you're still alive  
And The cops will you make you pay if you think you'll get away  
Then you know that it's One Fine Day (Hey)  
I believe it's my God-given right  
To destroy everything in my sight  
It never gets dull, it never gets old  
The only it gets is more bold  
Drinkin', Fightin', Goin' to the game  
In our world it's a way to stay sane  
If you're askin' me, to have it my way  
I'd say that's One Fine Day  
Now the time just seems to fly when we're hanging with the boys

When we're cheering and when no one keeps the score  
Now the game is cool to see, you can high five up to me  
Count them running over one, two, three  
Operation is inside and the field is open wide  
When you break everything you know you're still alive  
And The cops will you make you pay if you think you'll get away  
Then you know that it's One Fine Day (Hey)  
Then you know that it's One Fine Day  
Hey Hey! Hey! Hey! Hey! Hey!
