

# Circle

## Big Head Todd And The Monsters

It seems to me, you and me  
Are chasing something  
What it is does anybody  
Here want to know?  
It seems to you, you and me  
Are forgetting something  
When love is so  
Easily forgotten  
And if I pick you up, will you drag me down?  
If I run to you, will you turn around?  
Rise and fall turn the wheel 'cause all life  
Is really just a circle  
It seems to me, you and me  
Are being chased by something  
What it is has anybody  
Here apprehended?  
It seems to you, you and me  
Are terrified by nothing  
When nothing is  
The reason we are here  
Oh, nothing at all  
And if I cry to you, will you laugh me down?  
But I'm asking you to turn around  
Rise and fall turn the wheel 'cause all life  
Is really just a circle  
You are the only one I want  
You are the only one I want  
You are the only one I want  
You are, you are, you are, you are  
You are, you are, you are, you are  
And if I do to you, will you laugh me down?  
But I'm asking you to turn around  
Rise and fall turn the wheel 'cause all life  
Is really just a circle  
Rise and fall turn the wheel 'cause all life  
Is really just a circle  
Rise and fall turn the wheel 'cause all life  
Is really just a circle  
Rise and fall turn the wheel 'cause all life

Is really just a circle
