

Love and Kisses

agargara

Ooh I

I want your love and kisses

Ooh, Ooh, Ooh

What kind of girl do you think i am?

Is it the plain Jane type?

What kind of love do you think i want?

A real love, or just more hype

All I want is your love and kisses

Don't give it to no one else, Baby Baby

All I need is your love and kisses

I wanna keep it for myself, Oh it's got to be

Love and Kisses

Love and kisses for me, Yeah, Yeah, Yeah

Love and kisses

Love and kisses for me, Oh, Oh

Hit it, come on, Hit it

I'm not looking for a pot of gold

Or in a love that won't be, Ah, Ah

If you wanna swing with a girl like me

You gotta march to a different beat, Hit it

Can't you see that

All I want is your love and kisses

Don't give it to no one else, Baby, Baby

All I need is your Love and kisses

I wanna keep it for myself, Oh it's gotta be

Love and Kisses

Love and kisses for me, Yeah, Yeah, Yeah

Love and kisses

Love and kisses for me, Whoo

You're the kinda girl that I want to keep

We ain't at McDonalds baby, so what's your beef?

I just want someone that I can call my own
Love me, Please me, until the break of dawn

All I want is your love and kisses
Don't give it to no one else, Baby, Baby
All I need is your Love and kisses
I wanna keep it for myself, Oh it's gotta be

Love and Kisses
Love and kisses for me, Yeah, Yeah, Yeah
Love and kisses
Love and kisses for me (me)

(Oh Oh Oh Oh Oh) yeah pump it up
(Oh Oh Oh Oh Oh) yeah come on
(Oh Oh Oh Oh Oh) yeah pump it up
(Oh Oh Oh Oh Oh) yeah come on

(All I want)
(All I want)
(All I want is your love)

(All I want)
(All I want)
(All I want is your love)
