

# Seven Day Fool

Etta James

And on a Monday, I'm gonna love ya  
And on a Tuesday, I'm gonna hug ya  
And on a Wednesday, Thursday, Friday  
Saturday, Sunday, gonna love ya I work for you, baby, work my hand to the bone  
Care for you, baby, till the cows come home  
Do for you, baby, for the love that I seek  
Slave for you, baby, every day of the week (And on a Monday)  
Scrub your dirty floor  
(On a Tuesday)  
I do a whole lot more  
(On a Wednesday)  
I wash your dirty clothes  
To have a little lovin' 'fore the weekend goes And I'll be, your seven day fool  
(I'll be)  
And I'll be, your seven day fool  
(I'll be)  
And I'll be, your seven day fool  
(I'll be)  
Only because I really love you And on a Monday, I'm gonna love ya  
And on a Tuesday, I'm gonna hug ya  
And on a Wednesday, Thursday, Friday  
Saturday, Sunday, gonna love ya I work for you, baby, work my hand to the bone  
Care for you, baby, till the cows come home  
Do for you, baby, for the love that I seek  
Slave for you, baby, every day of the week (And on a Thursday)  
I'll treat you, oh, so kind  
(And on a Friday)  
I'll take you out to dine  
(And on a Saturday)  
I'll work double time  
If you'll only say you're be mine And I'll be, your seven day fool  
(I'll be)  
And I'll be, your seven day fool  
(I'll be)  
And I'll be, your seven day fool  
(I'll be)  
Only because I really love you (On a Monday)  
Ya ya, I'm gonna love ya  
(Tuesday)

Oh, I'm gonna hug ya  
(Wednesday, Thursday, Friday, Saturday)  
Oh, give me all of that love(And on a Monday)  
I scrub your dirty floor  
(On a Tuesday)  
I do a whole lot more  
(On a Wednesday)  
I wash your dirty clothes  
To have a little lovin' 'fore the weekend goes And I'll be, your seven day fool  
(I'll be)  
And I'll be, your seven day fool  
(I'll be)  
And I'll be, your seven day fool  
(I'll be)  
Only because I really love you And on a Monday, I'm gonna love ya  
And on a Tuesday
