Seven Day Fool

Etta James

And on a Monday, I'm gonna love ya

And on a Tuesday, I'm gonna hug ya

And on a Wednesday, Thursday, Friday

Saturday, Sunday, gonna love yaI work for you, baby, work my hand to the bone

Care for you, baby, till the cows come home

Do for you, baby, for the love that I seek

Slave for you, baby, every day of the week(And on a Monday)

Scrub your dirty floor

(On a Tuesday)

I do a whole lot more

(On a Wednesday)

I wash your dirty clothes

To have a little lovin' 'fore the weekend goesAnd I'll be, your seven day fool

(I'll be)

And I'll be, your seven day fool

(I'll be)

And I'll be, your seven day fool

(I'll be)

Only because I really love youAnd on a Monday, I'm gonna love ya

And on a Tuesday, I'm gonna hug ya

And on a Wednesday, Thursday, Friday

Saturday, Sunday, gonna love yaI work for you, baby, work my hand to the bone

Care for you, baby, till the cows come home

Do for you, baby, for the love that I seek

Slave for you, baby, every day of the week(And on a Thursday)

I'll treat you, oh, so kind

(And on a Friday)

I'll take you out to dine

(And on a Saturday)

I'll work double time

If you'll only say you're be mineAnd I'll be, your seven day fool

(I'll be)

And I'll be, your seven day fool

(I'll be)

And I'll be, your seven day fool

(I'll be)

Only because I really love you(On a Monday)

Ya ya, I'm gonna love ya

(Tuesday)

Oh, I'm gonna hug ya

(Wednesday, Thursday, Friday, Saturday)

Oh, give me all of that love(And on a Monday)

I scrub your dirty floor

(On a Tuesday)

I do a whole lot more

(On a Wednesday)

I wash your dirty clothes

To have a little lovin' 'fore the weekend goesAnd I'll be, your seven day fool

(I'll be)

And I'll be, your seven day fool

(I'll be)

And I'll be, your seven day fool

(I'll be)

Only because I really love youAnd on a Monday, I'm gonna love ya And on a Tuesday
