Lost On Highway 46

Sham 69

My lifes a book with the pages ripped out
A jigsaw puzzle with one piece missing
Living in the shadow of someone else
Pictures of his life in my haunted house
Mysteries of meanings all around me
When I'm asleep the silence is broken
Whispers of hell are so demanding
Frustrated moments at a Hollywood screen
Wearing a mask, do you know what I mean
Heartbeats talk louder than dreamsOnce gone but twice returned
Lost emotions overheard
Yes I can hear you Jimmy Dean
But I'm alive, I'm not deadHe takes the fantasy to find an ending
A lonely search of give and taking
Running too fast to ever see he's alive
Never understanding he wonders why
Truth is the lodgers said goodbyeOnce gone but twice returned
Lost emotions overheard
Yes I can hear you Jimmy Dean
But I'm alive, I'm not dead
