

Let It Be Me (Demo)

George Harrison

I bless the day I found you
I want to stay around you
And so I beg you, let it be me Don't take this heaven from one
If you must cling to someone
Now and forever, let it be me Each time we meet love
I find complete love
Without your sweet love what would life be So never leave me lonely
Tell me you love me only
And that you'll always let it be me Each time we meet love
I find complete love
Without your sweet love what would life be So never leave me lonely
Tell me you love me only
And that you'll always---let--it--be--me
